## Instructions :

1. Adhere the designer paper to the card.

2. Use Blending Brushes to add Old Olive at the bottom of the Basic White cardstock and Pool Party at the top. It helps to start blending off your paper so that you don't get a dark spot when you start blending the color.
3. Stamp the grass with Old Olive ink.
4. Adhere the layer to the Old Olive cardstock & adhere both to the card.
5. Stamp the sheep with Memento ink on a piece of Shimmery White cardstock.
6. Use the dies to cut them out. (Tip: You can run them through the Big Shot at the same time.)
7. Color the sheep with Stampin' Blends. The face was colored with Petal Pink, the legs were colored with Smoky Slate and the hooves were colored with the Light Basic Black.
8. Stamp the hats onto a piece of Shimmery White cardstock, cut them out with matching die, color with Stampin' Blends.
9. Press the fence die into the Crumb Cake ink pad, place the die on a piece of Crumb Cake cardstock, then cut it out using the Stampin' Cut & Emboss Machine.
10. Add fence and the sheep on the left to the card using Dimensionals.
11. Adhere the sheep on the right with Multipurpose Liquid Glue.
12. Stamp the greeting on a 5/8" x 1 5/8" piece of Basic White cardstock using Old Olive ink. Add to the card using Dimensionals.
