## Instructions:

1. Score the Evening Evergreen cardstock at 4-1/4" to create base card.
2. Using your Evening Evergreen ink, stamp three of large images in a triangle shape on the left side.
3. Using Soft Succulent ink, fill in the spaces between the stamped images with the longer leaf image, and shorter round greenery. It is helpful to mask the centre of the image, or only ink up the top half of the stamp, so that the stamps only overlap in the centre.
4. Using Soft Succulent ink, stamp the small dots randomly.. Adhere to the card base.
5. Adhere the ribbon using Mini glue Dots. Stamp sentiment and die cut. Add with Dimensionals.
6. Add Iridescent Pearls to the card.
