- Naturally Gilded Specialty Paper (Silver): 4-1/4" x 5-1/2"

## Instructions:

1. Fold the Basic Gray cardstock in half at the score line to create your card base.
2. Adhere the 4" x 5-1/4" piece of Basic White cardstock inside your card.
3. Using the Blending Brush and the Petal Pink ink pad, lightly sponge ink on the sides of the Naturally Gilded Paper. Add a heavier amount of ink at the bottom of the paper.
4. Either clean your Blending Brush or use another Blending Brush, add Blushing Bride ink and concentrate at the top of the paper.
5. Either clean your Blending Brush or use another Blending Brush to add So Saffron ink right in the lower center – our goal is to simulate a sunrise.
6. Adhere the paper to the Basic Gray card base.
7. Using the 1/2" strip of Basic White cardstock, stamp the sentiment using Basic Gray ink. Using the Happy Labels Pick-A-Punch, punch both ends of the strip. Adhere to the base card using Stampin' Dimensionals.
8. Using a Glue Dot, add a Dragonfly trinket just to the left of the So Saffron sponging to finish the card.
