- Tahitian Tide: 5 ¼" x 4"
- Basic White: 5" x 3 ¾"; approx. 3" x 4" for image + scrap for sentiment

### Instructions:

1. Adhere the Tahitian Tide layer to the front of the card base and set aside.
2. Die cut the dot detail on the top and bottom of the large white layer as shown.
3. Use a Blending Brush to pick up Tahitian Tide ink. Begin brushing it on from the short edge with the dot pattern, taking care to begin off of the edge of the cardstock. Continue to add ink and swirl it over the bottom and top edges of the card until the edges are darker than the center, and you're pleased with the results. Adhere to the card base.
4. Ink the image well with Starry Sky ink & stamp onto 3 x 4 white piece. Fussy cut.

5. Stamp the sentiment onto a scrap of basic white cardstock. Die cut the sentiment with the appropriate die from the Labels Aglow dies.
6. Cut a 4" piece of the Tahitian Tide Ribbon. Adhere to the back of the die cut, and snip the ribbon ends on an angle. Adhere to the card using Stampin' Dimensionals.
7. Finish the card with a few Rhinestones.
